

**Versailles Village Public Hearing  
Held at EMS Facility**

**August 12, 2020**

Mayor Subler called the Public Hearing to order at 6:55 p.m.

Roll call found the following Council Members present: Mr. Paulus, Mr. Berger, Mr. Dammeyer, Mr. Beasley, Mr. Griesdorn, and Mr. Steinbrunner. Also present were Village Administrator Hale, Fiscal Officer Ording, and Village Attorney Guillozet.

Village Administrator Hale explained that there was an error in the language of item B. under section 600.15 of the Village's Construction Standards. Item B states a rainfall intensity of 3.81 inches based on 5 years with a duration of 15 minutes. The number of inches should read 3.65, not 3.81, to be consistent with page 44 Pre-Allowable Outflow Rate.

With no further discussion on recommended change to the Village's Construction Standards, Mr. Berger made a motion to adjourn the Public Hearing with Mr. Steinbrunner seconding the motion. Vote: all yeas.

Mayor Subler adjourned the Public Hearing at 6:58 p.m.
