Versailles Celebrates Arbor Day

In recognition of the local and statewide Arbor Day tree planting holiday, a tree planting ceremony was held in the downtown area on Friday, April 26th. Members of the Versailles Tree Commission, 6th grade students from the Versailles Schools, along with school and Village officials gathered to participate in the planting of a greenspire linden.

Planting a new tree is an act of faith and an attempt to make the community a better place to live. Trees will improve the environment; not just for the present generation, but also for our future generations of children and grandchildren. It is important for today's generation of people to plant and care for trees and continue the rich tradition and presence of this wonderful natural resource.

The Village's Tree Commission consists of three citizens, a Council representative, and the Village Administrator. Citizen volunteers include Carl Moorman, Sharon Henry, and Paula Darnell. Village Council is represented by Mike Berger. Council Member, Cory Griesdorn, serves as an alternate Village Council representative.
