Versailles Celebrates Arbor Day

In recognition of the local and statewide Arbor Day tree planting holiday, a tree planting ceremony will be held at Ward Park on Friday, April 29th. Members of the Versailles Tree Commission, 6th grade students from the Versailles Schools, along with school and Village officials will gather to participate in the planting of an October Glory Maple.

Planting a new tree is an act of faith and an attempt to make the community a better place to live. Trees will improve the environment; not just for the present generation, but also for our future generations of children and grandchildren. It is important for today's generation of people to plant and care for trees and continue the rich tradition and presence of this wonderful natural resource.

The Village's Tree Commission consists of three citizens, a Council representative, and the Village Administrator. Citizen volunteers include Virginia Moorman, Sharon Henry, and Paula Darnell. Village Council is represented by Ralph Gigandet. Council Member, Todd Dammeyer, serves as an alternate Village Council representative.
