

## Versailles Income Tax Due April 18th, 2023

The 2022 Versailles income tax returns and payments are due on Tuesday, April 18th. Extensions do not extend the time to pay. Mandatory filing is required for anyone 18 or older regardless of income. Retired residents who have registered with the Tax Department are not required to file. As a reminder, the Village of Versailles contracts with the City of St Mary's for income tax administration. Please direct any income tax related questions to (419) 300-3198 or email: [tax@cityofstmarys.net](mailto:tax@cityofstmarys.net). St Mary's Tax Department office hours are Monday through Friday 8:00 a.m. – 4:00 p.m. Mail income tax returns to: City of St Mary's Department of Taxation, 106 E Spring St., St Mary's, OH 45885. Checks should still be made out to Village of Versailles. To electronically submit your tax return: [www.cityofstmarys.net](http://www.cityofstmarys.net) and look under the Departments-Tax Tab.

## Village Requests Updated Customer Contact Information

The Village of Versailles is nearing the completion of the Advanced Metering Infrastructure (AMI) system project for the Village's water meters at all customer locations. The AMI system will allow for the Village to not only read all customer water meters remotely each month via a radio signal, but also allows for alerts to be sent to the Village from your meter. Such alerts are for continuous or high-flow situations in the case of a stuck toilet or, even worse, a water leak in the home or business. Such alerts help the Village with water conservation efforts in addition to helping the customer become aware of issues and avoid unexpected high-cost water bills. To help the Village being able to reach you in the event of us receiving an alert for your location or other utility related matters, including electric, we are asking for all customers to reach out to us and provide us up-to-date phone numbers to best reach and serve you. With the migration away from landline phones and cell phone number changes, we are discovering that contact phone numbers that were provided when these accounts were originally established are no longer valid. We ask all customers to give us a call at (937) 526-3294 or email [versaillesutilities@versaillesoh.com](mailto:versaillesutilities@versaillesoh.com) to provide us your updated contact information. Your cooperation is greatly appreciated as we strive to best serve you.

## Village Offices to Close at Noon on Friday, April 7th for Good Friday Holiday

The Village Administrative Offices will close at noon on Friday, April 7th in observance of the Good Friday holiday. Recyclable collection will be provided as scheduled on Friday, April 7th.

## Darke County Solid Waste District to Hold Appliance Recycling

The Darke County Solid Waste District will again sponsor appliance recycling the month of April at 1 Shot Services in Bradford located at 6377 Hahn Rd Bradford, OH 45308. Items accepted include refrigerators, washer & dryers, air conditioners, stoves, dehumidifiers, freezers, and furnaces. All freon and recycling will be done free of charge for any Darke County Resident.

## Village Yard Waste Collection to Begin Friday, April 7th

The Village of Versailles will begin scheduled yard waste collection EVERY OTHER FRIDAY throughout the grass mowing months beginning Friday, April 7th, with the last collection scheduled for Friday, November 3th. Yard waste consists of grass clippings, plants, flowers, etc. There is no need to call for this free service, as the yard waste route encompasses the entire Village of Versailles. To participate in this collection, please place your yard waste at your regular collection spot in a container or trash can with a maximum capacity of 35 gallons. Please refrain from using plastic trash bags and barrel-type containers without handles for yard waste collection. Please also refrain from using the Village provided refuse and recycling containers. Yard waste should be in a separate container. As a reminder, yard waste can also be brought to the Village Yard Waste Pile at 300 Grand Avenue. This pile is to be used only by persons on Village utilities. Acceptable yard waste items include grass clippings, plants, flowers, etc. NON-ACCEPTABLE items include root stumps, batteries, tires, plastic bags, concrete, animal waste, construction material, hazardous waste, infectious waste, and asbestos. For any questions, please contact the Village Offices at 937-526-3294.

## Village of Versailles Spring Clean-up Day is Tuesday, April 11th

On Tuesday, April 11th, the Village of Versailles will conduct a Spring Clean-up Day to allow residents to discard medium to larger items that will not fit within the Village refuse container. Please sit items out at your normal pick up location for pick up on the morning of April 11th. We hope to be able to pick up all items on April 11th, however, if we cannot finish all pickups that day we will pick them up the following day or days until we are finished. This Spring Clean-up Day is intended for items that are too large to go into the refuse container, but could previously be set out and picked up WITHOUT a large item tag. We will still pick up your normal trash in your Village refuse container on your designated day that week. **This pickup of medium to larger items is in addition to your normal trash pickup!** Items that require a large item tag such as; fence, white goods (appliances; washers, dryers, freezers, refrigerators, etc.), bed springs, furniture, and televisions larger than 19" **will still require a large item tag available for \$10.00 at the Village Administrative Office at 177 N. Center Street.** These large item tags may be purchased and put out for pick up any week, not just for this Spring Clean-up Day on April 11th. Please note, all freezers, refrigerators, air conditioners with freon must have a tag attached verifying all coolant has been removed or the item will not be picked up. Citizens are advised to contact a qualified company or individual to have the coolant removed. **ITEMS NOT ALLOWED** to be included in any collection include; tires, paint, chemicals, household hazardous waste, CFC's (a class of compounds of carbon, hydrogen, chlorine, and fluorine, typically gases used in refrigerants and aerosol propellants), construction debris, pesticides, insecticides, pharmaceuticals, mercury, fuel. If you have questions regarding the Spring Clean-up Day please contact the Administrative Office at 937-526-3294.

## Brush & Limb Pickup

Brush will be picked up every Friday providing you call the Utilities Office at 937-526-3294 prior to the Friday you want the brush picked up so that your name can be placed on the brush list. Citizens have the ability, and are encouraged, to take large piles of trimmings to the Village yard waste pile near the Village Wastewater Plant at 350 Grand Ave for discarding. "Brush" is larger limbs that are put through the chipper, not to be confused with yard waste. If the Utilities Office is not contacted, your brush will not be picked up for there is not a brush route list like there is for yard waste collection. Any brush and or limb pile larger than a normal pick up load (approximately 4' X 4' X 6') will not be picked up and residents will be notified and requested to transport the brush or limbs to the yard waste pile. The Village, by ordinance, has the discretion to request ALL brush and limbs be transported by citizens of the Village and while we will always try to accommodate residents, it is necessary to keep the piles of brush to a reasonable size. We appreciate your cooperation regarding brush and limb pick up services.
