Application for Zoning Permit - Buildings

1. It is the responsibility of the property owner and/or contractor to obtain a building permit from the Darke County Building Regulations Office. Please call (937) 547-7379 for information.
2. The review procedure and criteria along with zoning regulations are established in the Village of Versailles Zoning Code.
3. Approval of a zoning permit application does not guarantee any other approvals (ex: building permits, etc.). The applicant shall be responsible for applying for any other necessary permits or reviews.
4. Answers to any of the project information questions on the application may be answered in the application form and/or on any plans or maps submitted in connection with this application.
5. Applications with missing or incomplete information will not be reviewed until corrected by the applicant.

Project Information

Provide the following information on the building, addition, or accessory building. All measurements shall be in feet or square feet. Attach site plan with this application. All true property corners must be located and marked prior to submitting application. New homes may not exceed 24" to the top of foundation above the mid-point top of curb elevation of the lot or the edge of pavement if no curb is present at the time of construction. The Village will perform an elevation check prior to construction starting on the home. A proposed elevation must be provided to the Village and established in the field to be checked prior to the start of any excavation for the foundation. Include with this application foundation drawing, floor plan, elevation views, and site plan. Other information may be requested per the Village Zoning Code.
