

MINUTES
Park Board Meeting
September 22, 2020

The Park Board meeting was held at Ward Park and began at 6:00 p.m.

Those individuals in attendance were Park Board members Marilyn Griesdorn, Ted Baltes, Connie Apple, Chairman Cory Griesdorn, Village Administrator Michael Busse, Mayor Subler, and citizen Josh Kraft were also in attendance.

A motion was made by Connie Apple, seconded by Marilyn Griesdorn to approve the agenda. Vote: all yeas.

A motion to approve the August 13, 2020 meeting minutes was made by Ted Baltes, seconded by Connie Apple. Vote: all yeas.

Discussion was held regarding a special needs swing of which the Village has received multiple donations amounting to \$1800. Administrator Busse stated that at the previous meeting that the Park Board had decided the best option would be to purchase a swing set such as the Jensen Swing S 82 AC standard 8-foot-high ADA swing one bay. It was also determined at the August 13th meeting that the best place to put the swing would be in Ward Park.

Administrator Busse stated the new swing would require a 12-foot radius around it with engineered wood mulch and a concrete mulch retaining ring. Administrator Busse suggested as an option we could install the new swing seats on an existing A-frame already located in Ward Park. Citizen Josh Kraft was also in attendance and offered his input on possible locations for the ADA swings.

The Board discussed this option at length and decided that this would be a good option. Mr. Busse will order two swings and have them installed in place of existing infant swings. The new swings will be installed at the inside swing locations in the North and South outer swing bays. Mr. Kraft agreed that this was a good plan.

With no further business to conduct a motion to adjourn the meeting was made by Ted Baltes, seconded by Connie Apple. Vote: all yeas.

The meeting was adjourned at 6:25 PM

Chairman

Village Administrator
