The Darke County Parks Grant was then discussed with Administrator Hale asking if the Village should apply for a grant for a new surface around the Merry Go Round. Currently mulch is used and it becomes muddy and the mulch eventually blows away. It was agreed the grant application should be for surface around the Merry Go Round. Hale will research the best surface and if nothing better than the rubber Pour and Play surface is found the grant will be written for the Pour and Play surface.

Discussion then turned to the Indian Creek baseball scoreboard. Administrator Hale mentioned the Indian Creek Park electronic scoreboard has been installed and is working.
